

Course Corner: Marathon Miles 17 – 20

Miles 17-20, leading up to 'The Wall', feature flat terrain in the south side of Appleton and Fox Crossing. These couple of miles set you up for the remainder of the race; get through these miles and you will be able to start smelling the Finish Line! A couple of exciting and action packed water stations will be highlight and much of these miles are through shaded residential streets – which will be welcomed at this point in the race.

Miles 17 & 18: Appleton & Fox Crossing

After cruising past Jaycee Park in Appleton, you'll be treated to a long, straight stretch of flat terrain that is well shaded. Both Jackson St. in Appleton and later, Valley Road in Fox Crossing have good shade trees to keep the sun off of your back.

Turn-by-Turn Directions

- Continue south on Jackson St.
