

Course Corner: Half Marathon Course

Much of the Half Marathon route follows the Full Marathon route; however, there are a few important items to point out. The Half Marathon starts at the same time (7:00 a.m.) and same location (Midway Road on the campus of UW Oshkosh Fox Cities) as the Full Marathon. After running the first 1.5+ miles together, the half turns north on Telulah Ave. and then west on Sylvan Ave. After following Sylvan Ave. for about 2 miles, half marathon participants will re-join the Full Marathon course at the Jackson St./ Wilson Ave. intersection. From this point on, half marathon participants will follow the same course as the marathon to the Finish Line in Neenah. All of the water stations, medical assistance and other course amenities will be present. Good luck!
